MEMORANDUM FOR: Dr. Henry A. Kissinger

Attached are the two studies you requested on Saturday, 8 April: one on Vietnamese Communist capabilities over the next three months, the other on Communist intentions over the same period. Both were drafted by the Agency and coordinated with DIA. I am sending copies to the other WSAG principals (Messrs. Irwin, Rush, Nutter, Sullivan and Admiral Moorer) plus copies to Secretaries Rogers and Laird, General Bennett and Mr. Odeen.
